

AARON ULISES JAUREGUI ZEPEDA

PERSONAL PROFILE

I am a current ANU Computing student seeking a position in the industry, where I am confident I can apply my skills in the fields I am so passionate about. I was born and raised in Mexico with a bilingual background, and I had the privilege to study in Japan for a year. I intend to live and work in Australia for the near future.

ACHIEVEMENTS

- Advanced Placement Scholar with Honours
 - TOEFL 99+ Percentile result
 - Standard Aptitude Test (SAT) 95 Percentile result
